### READ THIS.

Lexington, Tenn., June 8, 1901.

This is to certify that about March last I suffered intensely with my back and kidneys. Just prior to this I had undergone treatment for bladder trouble and was relieved, except the treatment was followed by the above trouble. It was recommended that I try "Texas Wonder, Hall's Great Discovery." I took one dose on retiring at night, and to my agreeable astonishment, I found myself relieved. One dose did the work. There is no bosh about this. It is wonderful.

Respectfully,

C. R. SCOTT,  
Proprietor Scott House, formerly county chief clerk, postmaster, etc.

### A TEXAS WONDER.

One small bottle of the Texas Wonder, Hall's Great Discovery, cures all kidney and bladder troubles, removes gravel, cures diabetes, seminal emissions, weak and lame backs, rheumatism and all irregularities of the kidneys and bladder in both men and women, regulates bladder troubles in children. If not sold by your druggist, will be sent by mail on receipt of \$1. One small bottle is two months' treatment and seldom fails to perfect a cure. Dr. Ernest W. Hall, sole manufacturer, P. O. box 839, St. Louis, Mo. Send for testimonials. Sold by all druggists.

Mrs. W. D. Williams of High Springs was in the city yesterday. She went to Rochelle to meet her husband, Conductor W. D. Williams, who is running between St. Petersburg and Jacksonville on the Atlantic Coast Line.

They are fat and of the finest varieties, and are bringing good prices. He is employing a great many men, and shipping several barrels of fine fish daily.

The friends of Chas. W. Parham will regret to learn that he is confined to his home with la grippe, threatened with pneumonia. Mr. Parham, who is an operator in the employ of the Atlantic Coast Line, has been subjected to double duty recently, and has worked such long hours that his health has been temporarily impaired. It is hoped, however, that he will soon be out again.

Attention is called to the change of advertisement of the Cash Grocery Company, which appears elsewhere in this issue. This company, of which J. R. Emerson is manager, carries at all times a fine and fresh stock of groceries at prices which would surprise the average shopper, and would be pleased to wait on you at any time. All orders are promptly filled, but the management insists upon spot cash for all goods, which enables him to offer exceptional bargains.

The grand old tree on the north side which has for many years accommodated and cooled the sweated brows of the fatigued "in the good old summer time," was yesterday felled by the axe of the street gang, the tree having died several weeks ago. The work was executed under the supervision of Councilman Pedrick, who himself declared that it was a shame such a magnificent shade tree should have "passed to the beyond." There are many trees about the streets which for some reason or another are dead, and all of these must be removed to make the thoroughfares presentable.

## A NOTED WOMAN,

COUSIN OF LATE U. S. PRESIDENT ZACHARY TAYLOR,

Seventy-Six Years of Age, Recommends Vinol for Old People.

Mrs. Sarah J. Windrom of 429 West Erie street, Chicago, a member of one of the most distinguished families in the country, cousin of Zachary Taylor, twelfth President of the United States, and grandniece of Alexander Hamilton, who signed the Declaration of Independence, writes:

"Vinol is a godsend to old people. I am 76 years old, but I feel active and well today, thanks to the vitalizing effects of Vinol.

"My appetite is all that could be desired. I sleep well and my mind is clear, and I am interested in the affairs of life as I was fifty years ago.

"When I was young cod liver oil was dispensed in a greasy, unpalatable form, and it fairly gagged me to get it down. Vinol is so different, palatable and nourishing to impoverished blood.

"I feel so much stronger, both mentally and physically, since I used Vinol that I feel it my duty, as well as a pleasure, to recommend Vinol as the finest tonic I ever used in my life."

MRS. SARAH J. WINDROM.

Such words of praise from a person of such high standing must be accepted as unquestionable proof of the superiority of Vinol.

Do you wonder that our Vinol has such a strong hold upon the esteem of doctors and patients? We know of nothing else that will accomplish such wonderful results; and remember, Vinol is not a patent medicine.

There are hundreds of old people in this vicinity who need just such a strength-maker and tissue-builder as Vinol. Their blood is thin and sluggish—Vinol will enrich and quicken the blood and build up the system. It is so much better than whiskey and strong stimulants, which always have a bad after-effect and weaken and break down. There is nothing in the world so good for the weak, the aged or the run-down system and to cure a hanging-on cold or hacking cough as Vinol, and because we know so well what it will do we are always ready to refund every cent paid us for it if it fails to do what we say. Try it on our guarantee. W. M. Johnson, Druggist.

Mr. and Mrs. Holmes Frederick of Atlanta, Ga., have arrived in the city, and will spend several days here as guests of the Brown House. They are here for pleasure, and are enjoying themselves every day hunting and fishing. They are well pleased with this section and their hostelry, and expect to remain for an indefinite period.
